## REQUESTING PRAYER

Prayer is central to everything we do at Taunton Baptist Church, and we believe that we are called to minister to one another in prayer.

There are several ways that you can ask for prayer:

- After the Sunday morning service come to the prayer space at the front – especially if God has spoken to you during the service
- Within a small group (*contact the Church Office if you want to be linked with a homegroup or prayer cell*)
- Email the 'Prayer Network' ([prayer@tauntonbaptist.org](mailto:prayer@tauntonbaptist.org)) with your specific need and it will be circulated via email to all members of the network
- Request a Prayer Ministry Appointment (*see over*)

*"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God." Philippians 4:6*
